Reviews

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).

Allison & Busby. Paperback. Book Condition: new. BRAND NEW, The House at the End of Hope Street, Menna van Praag, Distraught that her academic career has stalled, Alba is walking through her hometown of Cambridge, England, when she finds herself in front of a house she's never seen before, 11 Hope Street. A beautiful older woman named Peggy greets her and invites her to stay, on the house's usual conditions: she has ninety-nine nights to turn her life around. With nothing left to lose, Alba takes a chance and moves in. She soon discovers that this is no ordinary house. Past residents have included George Eliot and Beatrix Potter, who, after receiving the assistance they needed, hung around to help newcomers-literally, in talking portraits on the wall. As she escapes into this new world, Alba begins a journey that will heal her wounds-and maybe even save her life. Filled with a colorful and unforgettable cast of literary figures, *The House at the End of Hope Street* is a charming, whimsical novel of hope and feminine wisdom that is sure to appeal to fans of Jasper Fforde and especially Sarah Addison Allen.
