Coach Joe Bartkowski stuns the basketball world when he leads a small college team to the national championships. Now sought after by major universities, Joe finds his career threatened by unexplained anxiety and panic attacks. Is it a midlife crisis as his therapist claims, or does the answer lie in his family s history? Spanning three generations, from the Eastern Front in World War One through the Siberian gulags to the battlefields of World War Two, When Eagles Die embraces Joe s painful search for the truth, his unexpected discoveries about himself, and the very nature of the human mind.
