Branden Publishing Co ,U.S. Paperback. Book Condition: new. BRAND NEW, Elvis' DNA Proves He's Alive, Bill Beeny, "Having done radio shows for over thirty years, it is my job to know what goes on around me. When I heard that one of the 'big' stations from St. Louis was coming to Wright City in 1992, I couldn't help but be curious. I showed up and my life changed forever. Up to this point I never considered whether Elvis was alive or dead. Bill Beeny convinced me that Elvis Presley was very much alive. I took an instant liking to Beeny. He didn't rant or rave. He just made his points by presenting his evidence with respectful conviction. Now I know that Elvis faked his death and that he is still alive. After reading this book, you will draw the same conclusions." - Buffalo Jody.
