How to Use This Book The Art of Christmas serves two purposes. One is to help you make a daily practice of finding hoping in every situation. The other is to unwind by expressing your creativity through coloring. In your daily journal take the time to go through your day and reflect on what makes you happy during the holidays. Every year there are special memories that make the particular holiday special to you. If you look back to your childhood and remember how you wiled the hour s away coloring; it was and still is very cathartic. There are 63 journal pages, one for each day for two months. A full page to write whatever and wherever you find holiday cheer; the opposite page is for you to color the beautiful holiday art into reality while relaxing the time away. *A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).*
