Abrams. Hardback. Book Condition: new. BRAND NEW, Babar's Yoga for Elephants, Laurent de Brunhoff, Babar's Yoga For Elephants marks the second all-new Babar title in the Abrams series! In this delightful crossover book, Babar takes readers of all ages through the history of elephant yoga, from prehistoric times through the present. In his introduction, Babar explains that yoga is the perfect tool to ease the stress and complications of modern-day elephant life. Then he takes readers through 14 positions explaining, in detail, how each is done. The book concludes with drawings of Babar and Celeste's world tour where they demonstrate the yoga positions alongside similar structures. For instance, two elephants in the "Cobra" position resemble the Golden Gate Bridge! And perhaps Mr. Eiffel came up with the idea for his tower in Paris after seeing two elephants in the "Proud Warrior" pose. Yoga enthusiasts and yoga beginners alike will adore this book for its unique approach and humorous artwork. What could be more comforting than seeing our beloved Babar sharing his message of inner peace?.
