FRANKLIN S SPACESHIP (PAPERBACK)

Kids Can Press, Canada, 2013. Paperback. Book Condition: New. 211 x 188 mm. Language: English . Brand New Book. Franklin the turtle and all of his friends are playing spaceship in their tree fort. Well, almost all of his friends. Where s Snail? He s down on the ground, playing his harmonica. ?Our spaceship is about to take off. Climb aboard!? Franklin tells Snail. But Snail doesn t want to play spaceship, he wants to play his harmonica. ? You can do that later, ? Franklin answers him, and so Snail agrees to join his friends. But even after blasting off into space, dodging meteors and landing on Planet Glorp, Snail isn t having any fun in the spaceship. He would still rather play his harmonica. Can Franklin and Snail find a way to play together so that everyone has fun? Often, young children are confronted with disagreements over choosing a game to play, which can lead to a child being left out of playtime. Here, as in all the Franklin books, the characters find a solution, and all the friends are able to contribute to the game, making them each feel like a part of the group. This title would stir lively discussions among youngsters as a tie-in to character education lessons on adaptability, fairness or inclusiveness. Based on the beloved 3D-animated television series Franklin and Friends, it would be a popular read-aloud choice for preschool or kindergarten storytime.
