Createspace, United States, 2014. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Guyana was named by its first people, the Amerindians semi-nomadic tribes who lived by hunting and fishing. To them, this was a rich land with plenty of water for farming and fishing. They called it Guiana, meaning land of many waters. Sir Walter Raleigh was the first European to explore the wild coast of Guyana. The country itself changed hands several times between the French, Dutch, and British before the British finally held it until independence in 1966. The early European colonists were planters. At first they relied on Amerindians for their labor force, but over time they replaced them with African slaves, who also worked to construct the coastal drainage system and the city of Georgetown. Following a period of slave uprisings and a campaign to end the slave-labor system, slavery was abolished in 1834. With the end of slavery, indenturing became the new mode of accessing labor. Workers were brought in from the island of Madeira (Portugal) and from China and India (whose people are known in Guyana as East Indians) to work on the estates....
