B-279015 Accountability over physical assets is a key step in avoiding waste, fraud, Conclusion and abuse, and is essential to efficient and effective budgeting and management of resources. It is particularly critical in situations such as FAAs, in which billions of dollars of assets are being acquired in connection with the ATC modernization program. Until FAA implements effective policies and procedures to provide accountability over operating materials and supplies and property and equipment, it remains vulnerable to significant mismanagement of appropriated funds used to acquire these assets. FAA officials generally concurred with our findings and conclusions. They Agency Comments emphasized, however, that they have taken significant actions to address the problems identified in the s audit report on the fiscal year 1996 IG financial statement. We have added throughout our report a discussion of FAA IG actions stated it has taken since the date the audit report was IG issued. Because neither we nor the has yet..
