He was a circle with two faces, I was an octagon bent at many places and all we were waiting for was a miracle to put us together like similar shapes Each one of us in the world has a story to tell and in everybody s story is a villain but what if someday you find that in yours it was you. How do you deal with the chain of flashbacks that come rushing in your mind and you don t even remember when it all happened? How would you feel if one day you met yourself as a stranger? You probably don t have an answer to this and so didn t Nora Kiel, a girl who had lost her mother when her stark grey eyes blinked for the first and how her father had held her responsible for its happening. She grew up in the pain of never having a mother and lived with a father who had never been a father to her. Soon after her 16th birthday she lost him and was sent to an orphan. In that place where she was constantly reminded how alone she was she started to lose herself and amidst the trauma she met a guy from a totally different world. He took her on a roller coaster adventure of love and filled her life with thrill again but then they say Love is like light in the dark sky but just like fireflies it blinks and flies away.
