MACROECONOMICS, PRICES AND QUANTITIES: ESSAYS IN HONOUR OF ARTHUR M. OKUN (PAPERBACK)

BROOKINGS INSTITUTION, United States, 1983. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. This book of essays is devoted to a discussion and elaboration of Arthur M. Okun s theories and policy prescriptions as outlined in his posthumously published Prices and Quantities: A Macroeconomic Analysis. Okun hoped that his work would stimulate just such discussions on both macroeconomics and microeconomics and specifically on methods of fighting stagflation. The essays follow the general pattern of...

Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This type of publication is almost everything and helped me looking forward and much more. I am quite late in starting reading this one, but better than never. You won't really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
