Cahiers du Cinema. Paperback. Book Condition: new. BRAND NEW, Orson Welles: Masters of Cinema, Paolo Mereghetti, Orson Welles (USA, 1915-1985) was a complete auteur, a brilliant director and scriptwriter, a prodigious actor of memorable physique and a figure of legend. He began his directing career in 1940, at the age of twenty-five, with *Citizen Kane*, an undisputed, ground-breaking masterpiece of cinema history. Welles' stature as a baroque, impetuous and profoundly free artist made the studios uncomfortable. He had control of every detail on the twelve feature films he was able to make, including *Lady from Shanghai* with Rita Hayworth (1947), *Touch of Evil* with Charlton Heston (1958), adaptations of Shakespeare's plays including *Macbeth* (1948) and *Othello* (1952) and Kafka's *The Trial* (1962). Orson Welles remains a unique figure in cinema history and a real source of inspiration for future generations of film-makers.
