Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).

Createspace, United States, 2010. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.As a singer/songwriter, I've always viewed song lyrics as a form of poetry- poetry that has the potential to touch people's heart-felt feelings and emotions, with the help of a melody, voice and instruments. Here is my poetic collection of song lyrics to accompany my inspirational memoir Still Singing, Somehow. For those who have read my personal odyssey, these lyrics will add another dimension, and much insight, into many of the various stories and personal feelings expressed in the book.
