Reviews

It is great and fantastic. It can be written in easy phrases and never hard to understand. You will not really feel monotony at any time of your respective time (that's what catalogues are for concerning if you request me).

YOUR NUMBER S UP (PAPERBACK)

E-Booktime, LLC, United States, 2007. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This story has action, mystery and suspense! Detective John Wilson is just like any other detective. He s been in law enforcement almost all of his working career and he has done very well for himself and his family. He has been married for seventeen years with three wonderful kids. He has a better then average home, and a one in a million family bond. He and his partner Jim Keller have been working together for two years and have a great track record for solving their share of Chicago s crimes. But Detective John Wilson s world gets turned upside down when he solves a murder case that s been on the records for several years. His ability as a detective has been challenged by a new born serial killer. John only has fifteen days to figure out who this killer is. When time runs out the mystery killer will disappear with 15 murders to his or her credit. On top of that, John and Jim already have their hands full with current and up coming cases. But nothing will compare to the next fifteen days. There will be bad drug deals, police chases, shoot outs, explosions and a lot of death.
