Rocker has spent the last decade of her life surviving breast cancer. Hopefully through her testimonial she can save someone from what she encounters through her battle to overcome breast cancer. Throughout the book she stresses the significance of early detection being the key to life. She contributes her triumphant victory to having faith and keeping her trust in God. She acknowledges that through love and support from her husband, family, and friends gave her the strength and courage to survive this deadly disease. Her relentless determination in being her own advocate in implementing her medical treatments was fundamental in her surviving breast cancer which steals the lives of thousands of women around the world each year. If her book From Midnight to Daylight can inspire women all over the world to defeat breast cancer then it has been well worth the time and effort invested in the writing of her book. And most of all she recommends that you take the time everyday to tell your loved ones how precious they are; because you never know what tomorrow may bring.
