Face death by drowning, disease or fire. Steal a loaf of bread and be transported to the same colonies anyway. but in chains. The thrilling tale of the brutality and cruelty of life of the times. the challenging story of migration to the colonies. and the hope, desire and love that went with them. This historically based novel chronicles the lives of four extended families, each from dramatically different classes in nineteenth century Victorian society, their incongruent relationships and the start of their tumultuous journey aboard the Harriet to the colony of New South Wales. In England, the vicious crimes of the Sheathers require an urgent departure as the shadow of the hangman stalks the two brothers. For the Bunch brothers, gold and opportunity call but murder haunts the three young men. Wealth fails to insulate an aristocratic family from death and misadventure with the colonies a place to forget. For a God-fearing woodcutter s family, a new beginning beckons....
