Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Language Pattern Bible contains an A-Z exposition of powerful Indirect Hypnotherapy principles. Written by Kerin Webb SQHP (a director of Eos Seminars Ltd, a UK-based company which delivers accredited Indirect Hypnotherapy / NLP and Coaching training programmes and of Ultra Hypnosis Ltd, a company which produces state-of-the-art self-help hypnotherapy CDs) the principles covered here are explained in easy to understand detail, with many examples provided which show you how these special hypnotherapy patterns are developed and importantly, how you can replicate them in your own work. Kerin Webb has years of experience gained working with real people, in the real world, helping them to make the changes they want with Indirect Hypnotherapy/NLP. As a trainer, Kerin's students have included psychiatrists, doctors and nurses, as well as many other talented people from all walks of life. In the Language Pattern Bible, Kerin Webb also highlights the work of psychotherapy pioneer Frank Farrelly A.C.S.W and his unique Provocative Therapy approach (which was modelled in detail by the developers of NLP) based on his own personal observations gained when observing Frank Farrelly at work. If you want to learn more about how Indirect Hypnotherapy language patterns work and how you too can start to employ them with insight and precision, then this book is for you.
