Fields of Gold Publishing. Paperback. Book Condition: New. Paperback. 154 pages. Dimensions: 8.2in. x 5.8in. x 0.5in. **Bedtime Stories for Dogs** A book of short stories and fables designed specifically for dog lovers. The topics range from mythology to magic and horror stories (for dogs) combined with a little sprinkling of canine poetry. The book also includes a creative retelling of the Gingerbread Man from a dog's perspective. You share so much with your dog, why not read together, also **Bedtime Stories for Cats**: A book of short stories and fables designed specifically for cat lovers. The topics range from mythology to magic and horror stories (for cats) combined with a few essays written by a cat in order to help the rest of us understand their logic and reasoning. The book also includes a creative retelling of the Gingerbread Man from a cat's perspective. You share so much with your cat, why not read together, also **Special Combined Print Edition**: The print version of these two books combines them back to back creating one book with two covers. This unusual volume combines all the content and twice the fun of the individual eBooks. Several of the stories are the same, except written from the opposite perspective to show how dogs and cats view an identical world very differently. Dogs may think that cats view the world upside down, just as the cat version of the book is upside down from the dog perspective (and vice versa), but the truth is that we can all meet in the middle, just like these two books. Also makes a great gift for both dog and cat lovers. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
