Reviews

This publication may be worth purchasing. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

www.bnpublishing.com. Hardcover. Book Condition: New. Hardcover. 154 pages. Dimensions: 9.1in. x 6.0in. x 0.6in. Written immediately after the Cuban Revolution and first published in 1961, *Guerrilla Warfare* soon became a how-to manual for legions of guerrilla fighters around the world—from Latin America to Africa and Asia. In this revolutionary primer, Che focuses on the general principles of guerrilla warfare, the guerrilla band, the organization of the guerrilla front, and strategies for preserving and defending power once it has been won. The book covers broad topics—guerrilla strategy and tactics; propaganda, training, and indoctrination; and the role of women—and more specific issues like medical problems, supplies, and sabotage. Che's epilogue, written a year after the culmination of the long armed civil struggle by the Cuban people, includes his analysis of the Cuban situation at the time and predictions for the country's future. Both historical document and impassioned treatise, *Guerrilla Warfare* was intended as a guide to realizing change when political opposition and legal civil struggle against totalitarianism are inadequate. In that sense, it provides a timeless window into revolutionary thinking today. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
